

The Monsterama Model Kit Contest
— where art and engineering collide to create fantastic miniature worlds!

We are looking for science-fiction, horror and comic book model kits; assembled and painted by you! Show off your skills! Share your monstrous creatures and astounding vehicles with us! We will have three winners in each of our two categories of kits. The **Figure Category** includes famous monsters, robots, giant “Kaiju” figures and heroes. The **Vehicle Category** includes spaceships, cars, boats and other vehicles. Note: Mecha (mobile suits) will be considered a vehicle, not a figure! Beginners are welcomed to join!

Two age groups: **Junior** (age up to 18) and **Senior** (over 18)

We will be awarding **Gold, Silver** and **Bronze** prizes to the winners in each age group, and each category. Twelve prizes will be given away!

There is a small entry fee of \$5.00 per person. Yes, this one fee allows you to enter more than one model kit! Free for ages 12 & under. The \$5.00 entry forms will be sold on Friday night and Saturday morning at the Main Registration table for the convention. Bring your models in and enter the contest on Saturday, September 28, from 9 a.m. until 12:30 p.m. Just fill out your entry form and hand it to the Model Kit Contest Director. The Director will give you a Title Card for each of your models. You can then display your models on the tables we have reserved for the contest.

An awards ceremony will be on Sunday afternoon! Great prizes to be announced!
